8 weeks: \$176 / \$156 members

In this open media studio, beginning and advanced students will have the opportunity to develop compositions of personal themes in the materials of their choice. Students may express their ideas in drawing, painting, 2-D collage or 3-D assemblage. Collage is described as fastening (gluing, sewing, nailing) different scraps of paper, theater tickets, photographs, etc. to a flat surface. The collection of images and textures can then be drawn or painted upon. Assemblage compositions are 3 dimensional, like collage but in relief. Students may bring twigs, pieces of wood, metal, small household objects, etc. to work with. Some basic materials will be provided. Painting students will need to bring acrylic paint in white, red, yellow, blue, and burnt umber, a 1/2" flat bristle and a #5 round bristle brush, and a canvas, canvas board, or scrap of wood to paint on. Ideas, personal directions and introductory projects will be considered and discussed on the first day of class. Just bring what you have and make some art!
